PRAYER

Reverend Lisa Wink Schultz, Washington, D.C., offered the following prayer:

Holy God, break forth Your light in this place. May we bask in the warmth of Your gracious care and in You may we find strength.

Be our guide. Satisfy our need in the heat of the worst of our moments. Where there is a desert of hope, replenish our souls; make strong our bodies with the certainty of Your protection.

In Your mercy renew us like a well-watered garden. Be to us an oasis whose waters never fail.

Then may we be restored and be ready, once again, to care for those You have called us to serve, responsive to the vastness of need we see before us.

We follow You in faith and in Your name we pray.

Amen.

If H.R. 3684 (117th Congress) is enacted before the date of enactment of this Act, this Act shall not take effect and the provisions of this Act shall not be executed.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Oregon (Mr. DEFAZIO) and the gentleman from Missouri (Mr. GRAVES) each will control 20 minutes.

The Chair recognizes the gentleman from Oregon.

GENERAL LEAVE

Mr. DEFAZIO. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and to include extraneous material on H.R. 5434.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oregon?

There was no objection.

Mr. DEFAZIO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 5434, the Surface Transportation Extension Act of 2021.

I wish that we were not at this point, calling up a short-term extension of Federal highway, transit, highway safety, motor carrier, research, and transportation financing programs. Yet, here we are.

The House did its work. We passed the INVEST in America Act on July 4, H.R. 3684, a 5-year transformative reauthorization of surface transportation for the Nation dealing with climate change, resilience, creating jobs, social equity, a host of other things, and rebuilding our crumbling infrastructure.

The Senate did something different, but they did pass the Infrastructure Investment and Jobs Act, the Senate amendment to H.R. 3684, which also included a 5-year authorization of surface transportation programs.

We have not yet found a path forward for both Chambers to pass the same version of this bill. But we do need to act immediately to restore the ability of Federal surface transportation programs to function and to prevent putting thousands of U.S. Department of Transportation employees out of work for additional time.

We need to act now to avoid further ramifications for surface transportation programs. At 12:01 a.m. today, October 1, 2021, U.S. Department of Transportation operations funded out of the highway trust fund had to shut down due to a lapse in authorization.

Mr. Speaker, 3,700 employees received furlough notices that they could not work today or had to work without pay due to a temporary shutdown of these programs.

Beginning this morning, the authority for Federal highway, transit, highway safety, and motor carrier safety programs lapsed. This means that until Congress passes an extension or replacement authorization, the furlough of approximately 3,700 employees will continue, and the Federal Highway Administration cannot provide any new funding to States, the District of Columbia, and the territories. The Federal Highway Administration can continue reimbursing States for obligations incurred before the lapse, but that is not enough.

The Federal Transit Administration can't issue new funding to 1,300 transit grantees that rely on Federal grants to fund construction, buy vehicles and equipment, and, in some cases, pay for operating costs. They can continue to make payments for grants issued before October 1, but that is not good enough.

The National Highway Traffic Safety Administration can't award new highway traffic safety grants, and the Federal Motor Carrier Safety Administration must stop issuing new motor carrier safety grants. The Office of the Secretary can't make any TIFIA loans, which are critical for many large projects.

The Surface Transportation Extension Act of 2021 will allow the Department of Transportation to restart operations of programs funded by the highway trust fund through October 31, 2021, and bring employees back to work. It will also authorize DOT to provide backpay for employees who had to miss a day of work through no fault of their own and for those who worked without pay.

The bill also includes provisions to adjust program levels should Congress enact a long-term surface transportation or infrastructure bill, H.R. 3684, during the extension period.

Finally, the bill provides a similar short-term extension for the Appalachian Regional Commission and the Dingell-Johnson Sport Fish Restoration Act.

Mr. Speaker, I urge my colleagues to support this extension which will help provide additional time to work through a final resolution on the legislation between the House and the Senate.

Mr. Speaker, I reserve the balance of my time.

Mr. GRAVES of Missouri. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am planning to support this short-term extension of highway programs because it is a clean extension, and it is the right thing to do at this point.

At midnight last night, funding for these programs expired because I suppose Speaker PELOSI and the majority

thought this lapse and shutdown would be minimal. Maybe we should ask the thousands of workers who are now furloughed, our State departments of transportation, and other stakeholders whether they also would minimize the majority's inaction and the game playing that is taking place.

Let me be clear: The Speaker's partisan process is what led us to this point, and this chaos highlights more than ever the need for us to be working across the aisle. Getting a bipartisan highway infrastructure bill done should be easiest thing that we do in Congress. Bipartisanship has always been the formula for success on infrastructure, and that hasn't changed.

In my 20 years in Congress, I have supported all three highway bills that have been signed into law. All three of them were bipartisan. All three of them were under Republican chairmen.

I stand ready to participate in a truly bipartisan process that involves input from both the House and the Senate, not just one Chamber.

Republicans have put forward infrastructure principles in numerous pieces of infrastructure legislation. We were ready to come to the negotiating table, but we didn't get that opportunity. Republicans warned that a partisan path would put us in a position like this, and here we are.

Nevertheless, we remain ready to come to the table and get back to the bipartisan tradition on infrastructure. Passing this extension is the right thing to do, but the last thing we need is a series of short-term extensions. These short-term extensions are extremely detrimental to the States, to the stakeholders, and to the jobs that support these critical projects and programs.

Short-term extensions mean leaving States with uncertainty in their plans to fix, maintain, and upgrade roads and bridges. Mr. Speaker, you can't plan multiyear infrastructure and highway projects with the guarantee of only a few weeks of funding at a time.

It is time to get back to what works. Bipartisanship on both sides of Capitol Hill is the key to success when it comes to infrastructure.

Mr. Speaker, I urge my colleagues to support this clean extension, and I reserve the balance of my time.

Mr. DEFAZIO. Mr. Speaker, I believe I have the right to close. I have no further speakers, and I reserve the balance of my time.

Mr. GRAVES of Missouri. Mr. Speaker, I yield myself such time as I may consume to close.

Again, Mr. Speaker, this process has been horribly managed, and it is unfortunate that we didn't take this action before transportation programs were shut down and people were furloughed. Having said that, we need to provide this certainty for our State DOTs and for our transportation stakeholders.

Therefore, Mr. Speaker, I do urge support for this clean, short-term extension. It doesn't cost anything, and

it is the right thing to do. I yield back the balance of my time.

Mr. DEFAZIO. Mr. Speaker, I urge all of my colleagues to support this short-term extension to put DOT back to work and get on with the critical business of rebuilding America's infrastructure.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oregon (Mr. DEFAZIO) that the House suspend the rules and pass the bill, H.R. 5434.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. GRAVES of Missouri. Mr. Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 365, nays 51, not voting 15, as follows:

Let us pray.

Eternal God, You alone are our God, our sure defense and safe haven. Give us the wisdom to refuse to trust in our strength but to depend totally on You. Continue to illuminate the minds of our lawmakers as You lead them with Your truth.

Lord, purify their mistakes and remove their disappointments as they strive to live for Your glory. Arise up and help them. Ransom them with Your unfailing love. Lord of Heaven's armies, stay among us as You continue to be our fortress for life's journey.

We pray in Your great Name. Amen.

CORONAVIRUS

Ms. MURKOWSKI. Mr. President, I have come to the floor this afternoon, unexpectedly. I had anticipated that I was going to be taking the long trek home, for even a short weekend, going back to Alaska. That is not the case this weekend, unfortunately.

Our COVID numbers are at alltime highs, and most of the events and meetings that I would have had back home canceled. They are on Zoom. So life is just a little bit different. You roll with it. And it means that I am here in Washington, DC, on this Friday afternoon.

But I opened up the paper this morning, the Anchorage Daily News, our largest statewide newspaper, to, again, headlines that have just kind of unfolded over these past weeks with more just grim and difficult news. The headline today is: "Alaska infection rate remains high with over 1,200 new COVID cases."

We are leading—we are leading the Nation right now in our COVID rates, and it is interesting. Alaska has—we are separated enough geographically, but through the advantages of air travel and road travel, we mix, we mingle, we get around, and the virus knows no bounds, as we all know. But as we are seeing, thankfully, the case counts beginning to decline here in the lower 48, Alaska is doing just the opposite.

I am quoting here from our paper:

On average, the U.S. saw a 26% decrease in cases over the last two weeks while Alaska recorded an 84% increase.

They go on to say:

If Alaska were a country, it would be the nation with the world's highest per capita case rate, according to data from the Center for Systems Science and Engineering at Johns Hopkins University.

The article proceeds to state that:

Alaska's 171 average daily cases per 100,000 over the last seven days is nearly double the rate seen in West Virginia, which . . . [is currently] second in the [Nation]. Bermuda and Serbia, at the top of the global list, have a case rate of 99.

So we are at 171 average daily cases per 100,000. It has been challenging. We are a State that has limited capacity. We have got a smaller population, obviously. But that also means that we have fewer hospitals. We have more limited means, in terms of our ability to care for those who have become very, very sick, and it is straining—it is really maxing out our hospitals to levels that we really just could not have even anticipated could happen.

As our hospitals are maxed out, it is not just the capacity, the number of people that you can put into your ICU; it is those who are daily doing the work of caring for those who are coming into our hospitals, coming in sicker and staying longer. We have maxed out our hospitals, and when I say "maxing out," in the Alaska vernacular, basically that means there is no room at the hospital. Our largest hospital is Providence, Alaska Regional, Mat-Su, Alaska Native Medical Center, Fairbanks Memorial Hospital, Bartlett—they are at capacity within their ICUs, and let me share with you what it means to be at capacity in your ICU.

I will share. I was at Alaska Regional just a weekend ago—actually, now two weekends ago—and I was told that their ICU, which is a 16-bed ICU, had been expanded to 20; and 100 percent of the beds, when I was there on that Saturday, were occupied by COVID patients with no room for anyone else to come to that particular medical facility.

I had been at Fairbanks Memorial Hospital—actually there on an emergency, not myself but with another individual. We go to the emergency room, and as we were waiting for the doctors to come and address this non-COVID-related medical emergency, I was advised by the evening supervisor that Fairbanks Memorial Hospital was at capacity within their ICU. And what that meant was that Fairbanks Memorial was at capacity and, as of that evening, all of the other hospitals in Alaska that could care in an ICU capacity were filled. So I was told that my loved one may be in a situation, if he needed to be in the ICU, that I needed to prepare myself and others that he may be sent to Seattle or Portland that night. For those of you that don't know your geography there, that is a 3, 3½-hour flight by jet. It would have been a medevac. It is thousands of miles away.

That is what is happening in Alaska right now. When your hospitals are full, you just can't put them in an ambulance and take them to another town. We are taking these folks to another State. And, again, keep in mind, the reason that I was there that evening with this individual was not COVID-related, but that is the squeeze. That is the pressure that it puts on the rest of your system.

Just this week, the State is dealing with crisis standards of care guidelines as it relates to how individuals may receive monoclonal antibody treatments because the supplies are scarce out there.

So it is tough right now. It is tough. Beds are hard to find, and the extraordinary men and women who every day are going in and doing as best they can to provide for the level of care that is needed are doing so, but they are tired. They are tired. They can't get enough help. You have those who are exposed. You have to quarantine. It puts pressure on everybody else. People are running themselves to the ground.

But we have good news that is happening. Our Governor has been working to bring additional health workers in, and we are starting to see, just this week, as many as—we were hoping 500 but maybe a little bit less than that—nurses, respiratory therapists are starting to come to the State as part of a Federal contract. So you have got State-contracted healthcare workers. The Alaska Native Medical Center is going to be receiving additional support from a disaster medical assistance team. Again, we are at a point where you just can't take it on anymore. And our numbers have not yet peaked.

I don't share these statistics and I don't share the front page of the Daily News just to bring people up to speed as to what is happening in Alaska. That wasn't necessarily my purpose here.

My purpose this afternoon is, in the midst of this, in the midst of this real crisis in my State, when it comes to the availability of healthcare and re-

sponding to this virus that is killing—killing—Alaskans, killing Americans, killing people around the world, that we show a little kindness because right now that seems to be in as limited capacity as some of the hospitals that we have in Alaska. It is kindness and respect for where people are.

Your healthcare workers are giving every ounce of what they have to be there, to leave their families. They are worried about everybody. But they are there for us, and they are doing the best job possible. And some of what we see in return is not the best of America. It is not the best that Alaskans have to offer.

We have had some just horrible, horrible confrontations in our public meetings in Anchorage. The top of the fold in the Anchorage paper is about an assembly meeting where individuals wore yellow Stars of David to protest the mask ordinance that the Anchorage assembly was taking up, comparing the mask mandate to the Holocaust. It is shocking. At some of the assembly meetings—and it is not just in Anchorage, we are seeing it in other communities as well—it is neighbor against neighbor.

We have had providers go to provide testimony before in these public meetings, and not only have they been ridiculed and mocked, but we hear the stories, we read the stories that they have been spit upon. This is not how we show appreciation for those who are trying their absolute best to be there for us. And they will literally turn the other cheek and make sure that the care that they are providing in that ICU, in that ER, is without discrimination as to whether or not you have been vaccinated or not. They are going to be there to take care of you. So, please, can we please show some kindness to one another at these times of stress and of anxiety to families?

We in Alaska are pretty hardy. We are independent. We can handle things on our own, but we are better because we are also good neighbors to one another, more often than not.

When somebody's car breaks down by the side of the road, and it is cold and it is dark, we stop. We help them. We are there for them. When somebody is sick, we deliver the food. We are good neighbors. So we, in Alaska, need to remember to be that good neighbor to one another. We can have disagreements. We can have differing points of view. We can express them without degrading one another, without denigrating one another, without humiliating, and mocking one another.

So I know that we will be beyond COVID. It is not coming soon enough for any of us. But I just ask that as we go through this, in this State and around this country and around the world, that we remember that we are all better when we care for one another and we show a little kindness.

I yield the floor.

I suggest the absence of a quorum.

The PRESIDENT pro tempore. The clerk will call the roll.

The senior assistant legislative clerk proceeded to call the roll.

Mr. SCHUMER. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

AUTHORIZING REPRESENTATION BY THE SENATE LEGAL COUNSEL IN THE CASE OF SHAWN MUSGRAVE V. MARK WARNER AND THE U.S. SENATE SELECT COMMITTEE ON INTELLIGENCE

Mr. WYDEN. Mr. President, I ask unanimous consent that the Senate

proceed to the immediate consideration of S. Res. 405, which was submitted earlier today.

The PRESIDENT pro tempore. The clerk will report the resolution by title.

The senior assistant legislative clerk read as follows:

A resolution (S. Res. 405) to authorize representation by the Senate Legal Counsel in the case of Shawn Musgrave v. Mark Warner and the U.S. Senate Select Committee on Intelligence.

There being no objection, the Senate proceeded to consider the resolution.

Mr. SCHUMER. Mr. President, this resolution concerns a lawsuit filed in Federal court in the District of Columbia against the Select Committee on Intelligence and Chairman WARNER, that attempts to force the committee to release to the plaintiff the full report of the Committee's in-depth study of the CIA's terrorist detention and interrogation program. Plaintiff claims that he has a common law right, never before applied to Senate records, to review this committee document despite the report being classified and despite the committee having not chosen to release the report publicly and having submitted it to the Senate confidentially.

It is important to note that the committee has already released the lengthy executive summary and the findings and conclusions from the report, after a declassification review; so the public has been informed of the committee's work and the findings and conclusions of its study.

Plaintiff's attempt to force the Senate to release to him the full report not only contravenes the Senate's constitutional prerogative to decide which documents to keep confidential, but also interferes with the independence of the Senate in conducting its legislative and oversight duties. This resolution would authorize the Senate legal counsel to represent the Select Committee on Intelligence and Chairman WARNER in order to seek dismissal of this suit.

Mr. WYDEN. I further ask that the resolution be agreed to, the preamble be agreed to, and the motions to reconsider be considered made and laid upon the table with no intervening action or debate.

The PRESIDENT pro tempore. Without objection, it is so ordered.

The resolution (S. Res. 405) was agreed to.

The preamble was agreed to.

AUTHORIZING REPRESENTATION BY THE SENATE LEGAL COUNSEL IN THE CASE OF SHAWN MUSGRAVE V. J. THOMAS MANGER, ET AL.

Mr. WYDEN. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consider-

ation of S. Res. 406, which was submitted earlier today.

The PRESIDENT pro tempore. The clerk will report the resolution by title.

The senior assistant legislative clerk read as follows:

A resolution (S. Res. 406) to authorize representation by the Senate Legal Counsel in the case of Shawn Musgrave v. J. Thomas Manger, et al.

There being no objection, the Senate proceeded to consider the resolution.

Mr. SCHUMER. Mr. President, this resolution concerns a lawsuit filed in Federal court in the District of Columbia against the Secretary of the Senate and her office and that seeks to force the Secretary to provide the plaintiff with a copy of the Senate security manual. That manual, which is for internal Senate use and is not publicly available, sets forth the procedures for handling classified national security information within the Senate. Plaintiff claims that he has a common law right, never before applied to Senate records, to review this Senate document despite the security manual being restricted to internal Senate distribution given the sensitivity of the procedures for protecting classified information maintained by the Senate.

Plaintiff's suit seeking to compel the production of this Senate document encroaches upon the Senate's constitutional prerogative to decide which documents to keep confidential and interferes with the independence of the Senate in establishing its own internal rules and guidelines for handling information necessary to carrying out its legislative and oversight responsibilities. This resolution would authorize the Senate legal counsel to represent the Secretary and her office in this case in order to seek dismissal of this suit.

Mr. WYDEN. I further ask that the resolution be agreed to, the preamble be agreed to, and the motions to reconsider be considered made and laid upon the table with no intervening action or debate.

The PRESIDENT pro tempore. Without objection, it is so ordered.

The resolution (S. Res. 406) was agreed to.

The preamble was agreed to.

(The resolution, with its preamble, is printed in today's RECORD under "Submitted Resolutions.")

HONORING HOLLY'S HISTORY OF SERVICE

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Ms. SLOTKIN. Madam Speaker, I rise today to recognize my little town of Holly and, in particular, its commitment to its men and women who have served in uniform. I am especially proud to commemorate the Holly Area Veterans Resource Center and its dedicated members as they host a Welcome Home event tomorrow for our troops and their families.

Holly's track record of service isn't limited to just one event on one day—far from it. Our village's commitment is absolute, as evidenced by the namesake of the community center where the Veterans' Resource Center holds its events: Lt. Karl Richter.

As a 23-year-old officer in the Air Force, Lt. Richter became the youngest pilot to shoot down a MiG over Vietnam. He would eventually fly 198 missions—the most out of any airman at the time—and would ultimately earn the Air Force Cross, the Silver Star, and Purple Heart for his valor.

Lt. Richter was born and raised in Holly, and the legacy of service that he exemplified continues to live on in our community. The old oak tree in the parking lot of Holly Elementary School is ringed by dozens of yellow ribbons noting which of our hometown heroes are on active duty. Holly is also home to the Great Lakes National Cemetery, where over fifty-thousand of our nation's veterans and their family members have been laid to rest. At their military funerals, it's common to see a joint honor guard of Holly VFW and American Legion members carry on their traditions with a performance.

Lastly, together with local leaders and veterans groups, my team led an effort to rename our local post office. I believe service is the greatest love letter you can send your country, and at the Holly Veterans Memorial Post Office, we will soon be able to pay tribute to that service each time we send letters of our own.

In short, Holly is a place that knows its veterans. We're proud to stand with them throughout their entire careers—from that first bus that takes them to boot camp until their retirement and beyond. After all, when we send folks to fight for us, we have a responsibility to care for them and their loved ones for the rest of their lives.

That said, we know that the return to civilian life can be difficult. With its Welcome Home event tomorrow, Holly honors the service and sacrifice of veterans and their families. With a parade, food trucks, and live music, we will celebrate the folks who stepped up to serve our nation. And through a commemorative pinning for any veteran who served from 1955 to 1975, we will thank them for their willingness to risk life and limb to defend our way of life.

Representing Holly is one of the greatest privileges of my life. I'm proud to honor Holly,

so that its legacy of service can forever be remembered.

HONORING THE 60TH ANNIVERSARY OF THE DIAMOND JUBILEE, OF SAINT TIMOTHY CATHOLIC CHURCH

HON. CARLOS A. GIMENEZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. GIMENEZ. Madam Speaker, I rise today to honor the 60th anniversary of the Diamond Jubilee, of Saint Timothy Catholic Church in Miami, FL. Saint Timothy was founded in 1960, and the church and parish have expanded to include many members of Florida's 26th Congressional District and beyond.

Saint Timothy Catholic Church not only provides a place of worship but also engages its parishioners through outreach to give back to the surrounding community. By distributing food to the hungry and providing a wide range of outreach services, the church exhibits the strong passion it has for helping others. I am very thankful for all the great work that Saint Timothy Catholic Church and their parishioners contribute to our community.

I congratulate all members of Saint Timothy Catholic Church on their 60 years of community. I look forward to their continued success and prosperity in the future.

HONORING BILL MCCARTHY, 2021 CENTRAL OHIO SENIOR CITIZENS HALL OF FAME INDUCTEE

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. JORDAN. Madam Speaker, the Central Ohio Area Agency on Aging will host its 45th annual Central Ohio Senior Citizens Hall of Fame induction ceremony on October 6 in Columbus. I am honored to commend to the House one of this year's inductees: William McCarthy of Marysville.

Bill is a mainstay of the Marysville community. He started working at Wolgamot's Drug Store in 1949, the same year he graduated from Marysville High School. He then earned his pharmacy degree from Ohio Northern University, after which he purchased a share in Wolgamot's. In 1971, after buying out the last of his partners, he renamed it McCarthy Pharmacy. McCarthy Pharmacy was a downtown Marysville landmark for many years, famous for its five-cent coffee.

Bill met his wife, Ruth, in 1949 while working at the pharmacy. They shared 63 years of marriage until her passing in 2016. They were long-time members of Trinity Lutheran Church and committed delivery drivers for Meals on Wheels programs in Marysville and Plain City.

Bill continues to serve Marysville in many ways, including as a member of the G.L. Kingsmore Scholarship Committee. He is proud to be a 33rd degree Mason.

Madam Speaker, selection for the Central Ohio Senior Citizens Hall of Fame is a high honor accorded to seniors who have devoted their lives to serving others. I am pleased to join in the accolades for Bill McCarthy on his induction and thank the Central Ohio Area Agency on Aging for recognizing his many sacrifices—and those of all of this year's inductees.

HONORING THE 30TH ANNIVERSARY OF THE LATINO CENTER ON AGING

HON. CARLOS A. GIMENEZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. GIMENEZ. Madam Speaker, I rise today to honor the 30th anniversary of the Latino Center on Aging (LCA). LCA was founded in 1991 and for decades has been a champion of advocating on behalf of Latino senior citizens by advancing and improving their quality of life. The center has been able to support and assist many members of Florida's 26th congressional district and beyond.

The Latino Center on Aging has successfully been able to carry out its mission through various avenues such as media engagement, testimony at public hearings, and conferences that directly address the problems Latino senior citizens are faced with.

Additionally, LCA has implemented a weekly radio show titled Para Mayores that has been broadcasted for the last three years. During the COVID-19 quarantine period, Para Mayores contributed to the lives of many seniors by providing them with timely and valuable information. This has become of significant importance as many times, language and cultural barriers impede seniors' ability to effectively obtain the necessary assistance they require.

As South Florida continues to see an expansion of Hispanic elderly residents in the region, now more than ever are LCA's contributions and mission critical to the surrounding community. I congratulate the Latino Center on Aging on their 30 years of community and contribution. I look forward to their continued success and prosperity in the future.

RECOGNIZING HINDU HERITAGE MONTH

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. KRISHNAMOORTHY. Madam Speaker, today I rise to join the many Hindu faithful in

the United States in recognizing the month of October as Hindu heritage month. The 8th Congressional District is home to many followers of this uniquely pluralistic religion, and I wish to celebrate the Hindu community's valuable contributions to my district and to our state and country. I believe this acknowledgment is especially timely, given the disturbing rise of prejudice and racism in this country, including Hinduphobia as manifested in hateful speech and violent acts perpetrated against Indian-Americans and Hindu houses of worship.

The Hindu religion dates back millennia and has profoundly influenced both ancient and modern cultures. Its message of religious tolerance, non-violence, and the universality of the human experience was introduced to this country in 1893 by Swami Vivekananda in his landmark address at the World Parliament of Religions in Chicago, Illinois. Swami Vivekananda's words of peace and his emphasis on self-perfection and service to others sparked interest in the Hindu faith and contributed to the growth of Hinduism in the United States. His spiritual understanding had a profound influence on one of the greatest leaders of the 20th century, Mahatma Gandhi, who in turn inspired the important work of one of our nation's most revered leaders, Martin Luther King, Jr., to advance the cause of civil rights in the United States.

The Hindu faithful in our country include physicians, lawyers, scientists, economists, philosophers, artists, academics, business leaders, government officials—and Members of Congress. They are guided by Swami Vivekananda's call to service and respect for all religions and all people. Madam Speaker, I know all Americans of goodwill share these beliefs, and today I would like to celebrate the work of the Hindu faithful in building bridges of understanding between all Americans, for their important contributions to our economy and our cultural and civic life, and for the part they play in creating our wonderful and distinctively diverse American experience.

HONORING SOROPTIMIST
INTERNATIONAL CENTENNIAL

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. HUFFMAN. Madam Speaker, I rise today with the honorable Congresswoman JACKIE SPEIER, Congresswoman ANNA ESHOO, and Congressman MIKE THOMPSON in celebration of Soroptimist International reaching its centennial on October 1, 2021. A global volunteer movement with over 72,000 members in 121 countries, Soroptimist, later named Soroptimist International, was established to advocate for gender equality and human rights, a mission that it has stayed true to this day.

Founded in 1921 when women were still not permitted to join service organizations, Soroptimist began as an 80-member club in Oakland, California with a vision for a world where women and girls were provided the resources and support to achieve their individual and collective potential. The club's first project was Save the Redwoods, confronting logging companies, lobbying the legislature, and rallying public support to designate a portion of the forest as protected land, which remains today.

Within 5 years, the organization, renamed Soroptimist International, grew to 15 clubs throughout the United States. In 1924, the first Soroptimist club in Europe was founded in Paris and fueled the establishment of clubs throughout the continent. Several federations were established across the globe from Australia to Africa, leading projects to support refugees, secure housing for the impoverished, assist individuals with disabilities, and provide vocational training for women and girls. Uniting these federations, Soroptimist International Association was awarded consultative status in 1950 by the United Nations Economic and Social Counsel, an honor reserved for about 3,000 non-governmental organizations worldwide. UNICEF also granted the organization consultative status for service projects assisting children in 1966.

Today, Soroptimist International includes 5 federations worldwide: Africa, the Americas, Europe, Great Britain and Ireland, and the South West Pacific. Their current priorities towards achieving gender equity include strategically addressing child marriage, female genital mutilation, domestic violence, rights of older women, migration, and human trafficking.

Madam Speaker, Soroptimist International has continued to be an innovative leader in promoting human rights and gender equity worldwide. Through the unwavering dedication of its many members and its continually growing network, the organization has never lost sight of its original purpose to educate, empower, and transform the lives of women and girls across the globe. Therefore, please join me in congratulating Soroptimist International for a century of inspiring work, and in wishing them many more years of success.

HONORING THE CAREER OF JON
PRATT, EXECUTIVE DIRECTOR
OF THE MINNESOTA COUNCIL OF
NONPROFITS

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Ms. McCOLLUM. Madam Speaker, I rise today to honor the distinguished career of Jon Pratt on the occasion of his retirement as Executive Director of the Minnesota Council of Nonprofits. During his more than three decades of nonprofit advocacy work and leadership, Jon has made an enduring impact for residents of Minnesota and has uplifted the important and necessary work of nonprofit organizations across the country. As founder of Minnesota Council of Nonprofits, one of the largest statewide nonprofit associations in the country, Jon created a space to meet the needs of Minnesotans through the growing nonprofit sector—a space which today serves over 2,200 member organizations across the state.

A lifelong Minnesotan, Jon began his career as a lawyer in 1977, and in the following decade gained valuable experience through several different jobs. He first organized a statewide lobbying program during his time at Minnesota Public Interest Research Group and traveled the Midwest while learning the ins and outs of foundation work as the regional field director for The Youth Project, a founda-

tion providing grants and assistance to grass roots community organizations. And as campaign manager for future U.S. Senator Paul Wellstone's bid for state auditor, he learned how critical it is to engage government to serve all Minnesotans. He then served as executive director of The Philanthropy Project where he led a coalition advocating for an increase in philanthropy efforts that benefited disadvantaged people across the state of Minnesota.

It was these diverse experiences that led Jon to convene a group of local leaders of nonprofit organizations to establish the Minnesota Council of Nonprofits (MCN) in 1987. Only the third such trade association of its kind in the United States, MCN was launched to fill the increasing needs of nonprofits throughout the state, with the core belief that sharing information and working together across areas of common interest will be mutually beneficial and uplift the nonprofit sector as a whole. Today, MCN hosts classes and networking opportunities for both new and established organizations, helps groups secure grants and other funding, facilitates a jobs board to connect employers with those seeking a job in the sector, and advocates for public policy changes at every level of government.

During his time with MCN, Jon was fundamental in helping elevate the status of Minnesota's nonprofit sector by establishing standards of excellence for nonprofits, co-developing Grant Advisor—a rating tool for those seeking grants that provides free and honest feedback about the grant process, creating training programs and materials to strengthen the service work of organizations, and conducting years of research on the nonprofit sector to promote transparency and positive change in the field.

I am grateful to have worked with Jon for many years on key state and federal policy issues as he led the way in advocacy work on behalf of the Minnesota nonprofit community. MCN was the largest employer group to support raising the state's minimum wage, they worked with the Minnesota Legislature to secure a non-itemizer charitable tax deduction, and through MCN's Minnesota Budget Project, led the charge to expand Minnesota's working family tax credit. Jon's advocacy also spreads beyond the immediate needs of the nonprofit world as he has been a constant voice for public good by opposing state voter ID bills and supporting human rights and equitable social programs.

Jon has truly been a champion for nonprofits across the Nation and while his tremendous leadership at Minnesota Council of Nonprofits will be missed by many, his lasting contributions are sure to inspire the leaders and public servants of the future. Madam Speaker, please join me in honoring the exceptional career of Mr. Jon Pratt.

HONORING RICHARD STAHL

HON. GREG STANTON

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. STANTON. Madam Speaker, I rise to honor the life and legacy of Richard Stahl, who passed away on January 3, 2021. A community leader and LGBTQ+ advocate, Richard

was a fearless champion for LGBTQ+ causes and fought tirelessly to bring us one step closer to eradicating HIV. Today, Arizona is a better and brighter place for his presence among us.

A New Jersey native, Richard had a profound love for Arizona. Put best by Richard himself, "I will retire here someday." After moving to the Grand Canyon state, Richard immediately rooted himself firmly giving all his time, heart, and soul to the betterment of our community. Casa Ben Dita—his beloved McCormick Ranch home—became a gathering place for some of the premiere LGBTQ+ organizations in Phoenix—particularly Lambda Legal, the oldest national legal organization dedicated to working for the civil rights of the LGBTQ+ community. Year after year, Richard inspired so many and had a unique sense of bringing people together for the common good.

When Aunt Rita's Foundation brought the AIDS Walk back to Phoenix, Richard was one of the first to jump in and support its success. He also was relentlessly active in Aunt Rita's Red Brunch to celebrate World AIDS Day and joined the Foundation's Red Purse Club, generously donating his time, talents, and treasure year after year.

His commitment to LGBTQ+ rights and the eradication of HIV extended beyond excellence in service and volunteerism. Together, with community partners, Richard helped form permanent financial legacies for the Southwest Center for HIV/AIDS. His generosity transformed the Southwest Center from a small organization to a thriving pillar of our community. Richard showed that by giving, anyone and everyone can change the world.

Today, the Southwest Center for HIV/AIDS is known as Arizona's premiere leader for financially accessible, culturally competent, LGBTQ+ friendly healthcare. For his lifetime achievement, he received the Southwest Center Philanthropist Lifetime Legacy Award and was named a Partner for Life. In his honor, the Center named its clinical trials division the "Richard P. Stahl Research Wing".

As we reflect how long we have come in the work to eradicate HIV, there is no doubt our progress was shaped by Richard Stahl. Arizona owes him a debt of gratitude, and he will be deeply missed by his friends, family, and all those he uplifted with his positivity and unwavering support.

Madam Speaker, in this spirit of remembrance, I rise to honor the life and legacy of Richard Stahl. I thank Richard, and Godspeed.

For my constituents back in Michigan, I try and lead by example through my faith and commitment to public service. But many times,

**IN RECOGNITION OF PROVIDENCE
UNITED PRESBYTERIAN CHURCH
ON ITS 175TH ANNIVERSARY**

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. CARTWRIGHT. Madam Speaker, I rise today to honor the Providence United Presbyterian Church in Scranton, Pennsylvania on its 175th anniversary. According to the original charter, it was the first Presbyterian church to be founded in the Lackawanna and Upper Valley. The occasion will be marked with a festive celebration and service on Sunday, October 3, 2021.

On July 27, 1846, residents of Providence village gathered to discuss building a meeting house. A vote determined that the meeting house would be governed by the Presbyterians. On October 5, 1846, the First Presbyterian Church of Providence, Pennsylvania was organized. The first church building was built on the corner of Church Avenue and Oak Street, and the first meeting of the congregation took place on April 19, 1847. The house was dedicated on July 25, 1849 with Rev. Joseph Barlow as the first pastor. In 1862, a parsonage was added to the grounds, and a lecture and bible classroom was added to the church building in 1869.

In 1882, the congregation purchased land to build a new house of worship. They sold the parsonage to fund the cost of the new church in 1884, and in 1886, the beautiful stone church was completed and dedicated.

The faithful gathered and worshiped at 2020 North Main Avenue for almost a century. In 1971, the Providence Presbyterian Church merged with the Suburban Presbyterian Church to form the Providence United Presbyterian Church (PUPC). The congregations joined together to bear witness to their faith and serve their community.

The PUPC has been a pillar of the strong and supportive faith community of the City of Scranton for nearly two centuries. When the Concord United Church of Christ closed its doors, the PUPC welcomed its members into their fold. From 2004 to 2008, the PUPC shared worship and gathering spaces with many area churches, such as Marywood University, Covenant Presbyterian Church, the Presbyterian Church of Dunmore, Immanuel Lutheran Church, and Throop United Methodist Church. In 2008, the PUPC dedicated its new church building at 1145 Providence Road in Scranton.

Today, PUPC continues to grow and thrive. The church welcomes the faithful of the City of Scranton to practice their faith, fostering community and fellowship within the congregation.

I am honored to join with the congregation of the Providence United Presbyterian Church to celebrate 175 years of worship and community and the essential role it has played in the growth of Presbyterianism in Scranton. May PUPC continue to be a mainstay in the Scranton faith community and provide a safe and welcoming place to worship for generations to come.

IN RECOGNITION OF THE 100TH BIRTHDAY OF ELSA FORTH

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mrs. DINGELL. Madam Speaker, I rise today to recognize Mrs. Elsa Forth of Taylor, Michigan on her 100th birthday. Her life of courage and strength is worthy of recognition.

Mrs. Forth was born in the city of Belluno, Italy on October 1, 1921, the second of twins, to Andreas and Maria Da Rin. She spent summers in the village of Laggio di Cadore with her sister Antonietta and brother Alvio. She was educated at the Vatican at the sponsorship of Father Albino Luciani—later Pope John Paul I. Her hometown became a battlefield during World War II and Mrs. Forth played a

major role in the operations of the Partisans who fought alongside the allied forces against the fascist Mussolini and Nazi Germany. Her actions branded her a hero to those who know her legacy in Belluno. She left her home after being proposed to by a man with American citizenship and moved to Melvindale, Michigan.

After taking time to learn to speak English, she started working as a waitress at The Venetian Inn in downriver. In good company with the Italian family who owned the bar, they called her their "Italian Hero." She was quick to make friends and was well beloved in her new home. Tragically, she came home one night to a drunken, jealous husband and came face to face with a shotgun. She managed to escape down the stairs of their small apartment but was hit in her face and upper chest. She escaped bullets in Italy only to fall victim to gunshots in America.

Luckily, Mrs. Forth was able to get an experimental plastic surgery and was able to heal quickly. Soon after, she met Raymond Forth and they wed. Together they have one son, Tony "Tone". She was able to find work in a technical industrial role where she remained until her retirement at age 70. When Tony joined the Marines, Mr. and Mrs. Forth moved to a home in Taylor, Michigan. Today, they live together in the renovated family home, along with Tony's wife, Antonette. Mr. Raymond Forth passed away in 1983 Tony struggles to keep up with his mother who remains full of life, even at age 100.

WISHING KATHY CALDWELL, A HAPPY RETIREMENT

HON. SYLVIA R. GARCIA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Ms. GARCIA of Texas. Madam Speaker, I rise today to celebrate and wish a happy retirement to Kathy Caldwell, CEO of Legacy Community Health Centers.

Our Houston community thanks Kathy for her hard work and for her remarkable leadership at Legacy and in our community at large.

Under her leadership, Legacy has expanded exponentially.

What started as a small neighborhood clinic has become a large organization employing thousands of Texans serving Houston diligently.

Our community will miss her.

We are certainly inspired by her work and thank her for what Legacy will continue to do for Houston.

This work has been particularly important for low-income communities and communities of color, including Latinos, which have been disproportionately affected by the COVID-19 pandemic.

We wish her the best on her next steps.

I congratulate her on her retirement and God bless.

RECOGNIZING THE SIXTIETH ANNI- VERSARY OF JOHNSON ESTATE WINERY IN WESTFIELD, NEW YORK

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. REED. Madam Speaker, today I rise to recognize the sixtieth anniversary of Johnson Estate Winery in Westfield, New York and congratulate the Johnson family for reaching this tremendous milestone.

Three generations of Johnsons have farmed what is now Johnson Estate Winery. After immigrating to Canada and attending Cornell University, Frederick Johnson purchased a circa-1822 home and farm along the banks of Freulings Creek in Westfield, New York. He planted various fruits like apples, peaches, and concord vineyards, and named the farm Sunnyslope Fruit Farm. He worked as an entomologist with the Department of Agriculture in Washington, D.C. and North East, Pennsylvania, met his wife, and raised his family.

His son Frederick Spencer Johnson grew up on the farm, served in World War II as a naval aviator, graduated from Cornell, and raised his family overseas while working for Nelson Rockefeller's various agricultural endeavors. He returned to the farm in 1960, after his father died, and removed the aging fruit orchards before being the first Western New York Farmer to plant French hybrid grapes. His favorite hybrid, Chancellor, is in the winery's famous Founder's Red. In 1961, he opened the Johnson Estate Winery.

Frederick Spencer's children inherited the farm in 1998 and grew the winery with new vineyards, construction of a finished goods warehouse, and the introduction of new wines like fruit, sparkling, and ice wines. In 2010, Frederick Johnson, Jr. became the owner of the farm and winery with his wife, Jennifer. They renovated the century-old tasting room in 2011 and still live in the two-hundred-year-old farmhouse. This year, they opened an outdoor wine and food pairing location, Flight, as a nod to Fred Sr.'s service as a naval aviator and the love of aviation he shared with his son, Fred Jr. Guests enjoy sights and smells of harvest while savoring delicious wine and locally-sourced fruits, curated cheeses, and charcuterie boards.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to recognize the sixtieth anniversary of Johnson Estate Winery in Westfield, New York. Congratulations on this tremendous milestone.

CELEBRATING THE SEVENTH BIRTHDAY OF BLAKE BURTON

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. FOSTER. Madam Speaker, I rise today to honor one of my constituents, Blake Burton, on his seventh birthday and to recognize his resilient spirit in the face of unbelievable hardship.

Blake was diagnosed with leukemia at the age of four and has been bravely battling it

ever since. On several occasions, Blake's condition worsened, and his family feared that they might be losing him. After countless surgeries, transfusions, needles, surviving being on a ventilator, kidney dialysis, and three failed stem cell transplants, his fight with leukemia has now come to an end and Blake was recently put into hospice care.

Blake's family describes him a boy with a zest for life who makes an impact on anyone he comes in contact with. Despite a taxing fight against leukemia, he always has the energy to stick up for the underdog—a lesson we can all learn from.

On October 14, Blake will turn seven years old having experienced more challenges than most people will over the course of their entire

lives. We can all learn from Blake's bravery and strength, and I am honored to represent him and his family as part of the 11th Congressional District of Illinois.

Madam Speaker, I ask my colleagues to join me in celebrating Blake on his seventh birthday and in honoring his courage, perseverance, and spirit.
